Ryan Hulvey

Computer Science and Mathematics Undergraduate

Summary:

Currently enrolled at St. Mary's College of Maryland pursuing a bachelor's degree in computer science and mathematics. Have experience working alone and leading teams towards solving practical problems in a timely manner. Proficient in programming languages like Python, Java, SQL, and C++ and applications like Microsoft Word, Excel, and Adobe Acrobat. Overall, a charismatic and aspiring learner driven to help others and make meaningful contributions to my community.

Education:

College: St. Mary's College of Maryland Expected Graduation Date: May 2027

Degrees: (BS) Bachelor of Science in Computer Science, (BS) Bachelor of Science in Mathematics
Cumulative GPA: 4.000

College: College of Southern Maryland Graduation Date: May 2025

Degree: (AS) Associate of Science in Computer Science
Cumulative GPA: 3.700

Certifications:

Certificate: Security+ CompTIA [April 2026]

Certificate: PCAP (Certified Associate Python Programmer) Python Institute [June 2025]

Current Projects:

Experience: Senior Capstone Date: [2026–Present]

As the Software Development team lead, I individually remediate code-based problems while directing the team towards overcoming greater obstacles and delivering practical solutions. I utilize various applications including GitHub, Python, JavaScript, and Django.

Experience: Kanban Board Project Date: [2026–Present]

Alongside four other team members, we are working towards creating a Kanban Board, used to manage projects. We ensure code functions properly while delivering results in a timely manner.

Work Experience:

Job Title: Senior Digital Accessibility Fellow Company: St. Mary's College of Maryland [2026 – Present]

Help support the college's alignment with the Americans with Disabilities Act, making digital course materials accessible. After six months of impressive work, I received a raise from Fellow to Senior Fellow.

Job Title: Handshake AI Intern Company: Handshake [2026 – Present]

Help evaluate and review AI-generated content and responses by providing structured feedback and data to improve performance and accuracy.

Job Title: Lifeguard Company: Charles County Parks and Rec [2024 – Present]

Ensure the safety of swimmers and patrons by enforcing pool rules, responding to emergencies, and providing first aid when necessary.
